Adjustment:	CO-27 · Remark N30

Determination

This claim is **denied because the member was not eligible for coverage on the date of service** (adjustment reason CO-27; remark N30). Plan records indicate the member's coverage terminated 2026-03-31; the reported date of service is 2026-04-09.

Verify the member's eligibility and coverage effective dates. If coverage was active on the date of service, resubmit with proof of eligibility; otherwise the balance is the member's responsibility.

Your appeal rights

If the member was eligible on the date of service, submit documentation of active coverage (eligibility verification or member ID card) within 60 calendar days of this notice to have the claim reprocessed. Submit via the Meridian provider portal.

Sincerely,
